

Partner Referral Scheme

TBAT's Partner Referral Scheme is designed for businesses who want to transform their client's journey and help them access innovation funding.

Our Partners include

Existing Clients

Accountants/Solicitors

Patent Agents

Membership Organisations

Business Consultants

Our partners utilise our in-house expertise to reduce their workload, increase client satisfaction and add value to their client services.

We believe, as the saying goes – two heads are better than one! We add value to each other's clients through jointly strengthened offerings, building long-term relationships and providing all partners the ultimate range of innovation support. Becoming a partner allows you to offer your clients complimentary services with TBAT and create additional trust by referring them to a not only a trusted and value led business, but a leading Consultancy with an exceptional track record in securing grants and tax incentives.

We partner with you to **add value to each other's clients through jointly strengthened offerings.**
